

Critical Information Summary – IPSTAR Broadband nbn™ Fixed Wireless

Information about the Service

Service Description

nbn™ Fixed Wireless is a high-speed broadband service that delivers internet connectivity using wireless technology via nbn™ network to your premises.

Service Requirement and Availability

You will need to be connected to the nbn™ Fixed Wireless Access network. It is only available within nbn™ Fixed Wireless service areas. The service availability can be checked by contacting IPSTAR Broadband on **1300 477 827** or using our website.

Equipment Requirements

nbn™ Satellite equipment will be provided free of charge by nbn™ and installed at your premises on your preferred date and time specified in the application form by an nbn™ installer. nbn™ retains ownership of the equipment and will provide service and maintenance.

Minimum Term

The minimum term of the service is 1 month. Alternatively, a discounted setup fee applies to a 12 month or a 24 month term agreement.

Plan Features

When your service is activated, the following features that come with the service include:

- Free usage meter accessibility
- No excess data usage charge
- Local Australian based phone support

Information about Pricing

Setup Charge

Your setup fee will vary subject to your choice of contract length. You may be charged an additional one-time \$300 nbn™ “New Development Charge” if your premise is identified by nbn™ as being a location in a new development.

Activation Fee	1 month	12 months	24 months
nbn™ Fixed Wireless	\$99	\$0	\$0

Monthly Plan Charge

The following table displays IPSTAR Broadband nbn™ Fixed Wireless service plans. Our standard contract term is 1 month but if you choose to sign up a 12 or 24 month agreement, IPSTAR Broadband will give you a discounted setup fee.

Plan Name	Speed	Monthly Data Allowance	Monthly Cost	Total Minimum Cost (1-month contract)	Total Minimum Cost (12-month contract)	Total Minimum Cost (24-month contract)	Unit cost 1GB of data included in plan
Unlimited Fixed Wireless NBN60	60/20Mbps	Unlimited	\$85.00	\$184.00	\$1,020.00	\$2,040.00	\$0.00

Notes: Data allowance includes uploads and downloads. Broadband speed specified above might vary due to several factors such as location, weather and other technical limitations.

Maximum Monthly Charge

Total minimum cost over contract term calculated as (monthly access fee x contract term) + setup fee. No excess usage charge applies.

Early Termination Charge

Your contract term, setup and termination fee may vary subject to your choice of contract length. 1 month means minimum contract term is 30 days, \$99 one-off setup fee and \$5 termination fee. An early termination fee applies to a 12 month and 24 month contract if you want to cancel IPSTAR Broadband service before your contract end date. 12 month means 12 month term, \$0 one-off setup fee and \$165 early termination fee. 24 month means 24 month term, \$0 one-off setup fee and \$275 early termination fee.
