

# IPSTAR Broadband nbn<sup>®</sup> Fixed Line / Fixed Wireless Plans Critical Information Summary

## Information about the Service

### Description

nbn<sup>®</sup> Fixed Line / Fixed Wireless is a broadband service that delivers internet connectivity using optical fibre technology via nbn<sup>®</sup> network to your premises.

### Service Requirement

You will need to be connected to the nbn<sup>®</sup> Fixed Line / Fixed Wireless Access network. It is only available within nbn<sup>®</sup> Fixed Line / Fixed Wireless service areas. The service availability can be checked by contacting IPSTAR Broadband on **1300 477 827**.

### Equipment Requirements

nbn<sup>®</sup> equipment will be provided by nbn<sup>®</sup> and installed at your premises on your preferred date and time specified in the application form by an nbn<sup>®</sup> installer. nbn<sup>®</sup> retains ownership of the equipment and will provide service and maintenance.

### Minimum Term

The minimum term of the service is 30 days. Alternatively, a discounted setup fee applies to a 12 or 24 month term agreement.

### Plan Features

When your service is activated, the following features that come with the service include:

- Free usage meter accessibility
- No excess data usage charge

### Important: Online safety information

Our Online Safety Code Manual available at [ipstarbroadband.com.au/online-safety-code-manual](https://ipstarbroadband.com.au/online-safety-code-manual) includes important information about internet content filtering products that may limit or prevent access to illegal or restricted material on the internet.
